TRIPLE F stands for Find, Focus, and Feel: Find out what you're good at, Focus on what you value and Feel good about yourself. Grade 9 students are given an account number for www.careercruising.com, where they FIND a career that might be a fit for them. Then we discuss what values they FOCUS on and we finish with them cutting out pictures of their happy place... where do they go to FEEL good about themselves. TRIPLE F also includes a print out of what courses they will need as well as an amazing art project which can be used to display in their HACE classroom.	Donna Yakubowski	Donna Yakubowski has done Action Research as a Career Development Facilitator focusing on helping grade 9 students make course selections based more closely on career paths directly suited to their talents. By uploading all Tamanawis courses to www.careercruising.com grade 9's can walk away with a print out of all the courses they will need for their chosen career path for all 3 years at Tamanawis. Before TRIPLE "F" 43% of our grade 9's said they had no idea what courses to take towards a career path. After TRIPLE "F" 90% of the 120 students asked all said they now felt ready for their future.
